

ADMINISTRATION IN POLICY ABSENCE

In the absence of Board policy specifically covering any action for which there is no policy or precedent to follow and which requires a decision before the next Board meeting the superintendent shall seek the advice and decision of the Board chairman or vice chairman in chairman's absence. The superintendent may then take temporary action. However, the superintendent will not be free to act when the action involves a duty of the Board that by law cannot be delegated.

In each case in which the superintendent must take such action, he will present the matter to the Board for its consideration at its next meeting.
