

SCHOOL CALENDAR

School Year

The calendar for the following school year shall be submitted by the superintendent by the regular March meeting of the school board for its consideration, changes, and approval.

Other Calendar Items

Parent-teacher conference days may be the maximum allowable by law in each building. The Board will consider the recommendations made by the WCEA concerning the starting school date, ending date, vacation periods, legal paid holidays, number of pupil attendance and membership days.

Make-Up Schedule for Days School is Not in Session

The maximum number of days to be made up is ten. The current school year's make-up schedule will be published in each edition of the school district newsletter. A two week notice will be given prior to using vacation days as make-up days.
